Welcome to Leadership Orlando! I look forward to leading Class 69 as we embark on our nine-month Leadership Orlando journey. Over the course of this program, we will experience a new curriculum featuring professional facilitation, case studies, panel discussions and simulations. It's my intention as your Class Chair to make this experience truly memorable and serve as a stepping-stone to your leadership future.

Our Orientation Sessions are scheduled for Wednesday and Thursday, March 15 and 16, 2006. We will assemble for the first time on Wednesday, March 15, from 7:30 a.m. to 5:00 p.m. at Harry P. Leu Gardens. You are all invited to a Reception hosted by the Leadership Alumni Board immediately following our session from 5:00 to 6:00 p.m. Agendas, maps and specific directions will be provided to you shortly.

Our class will reassemble on Thursday, March 16, from 7:30 a.m. to 4:00 p.m. at Canterbury Retreat and Conference Center. The second day is to be a fun and interactive team-building day on the ropes course. Dress in comfortable attire (wear something you won't mind getting dirty) for this session. Unless otherwise stated, dress for our other sessions is business casual. This will be defined further at Orientation.

One of the goals for the Orientation Session is to get you thinking about the Central Florida community and how it functions. What components make up the community? What current issues are we facing? Who are the leaders you admire, and why? What role do community leaders play in the region's future? Finally, what is the difference between a "good citizen" and a "community leader?"

Another goal of these two days is for you to begin building relationships with your fellow classmates. To help you in this effort, each member of the class will have an opportunity to personally introduce themselves to the class "electronically" with distribution help from the Leadership Orlando staff. These electronic greetings will come to you via email so that you can review them at your leisure. A schedule will be provided at Orientation so that you will know when your "e-introduction" is due.

This will be an opportunity for many business leaders from diverse backgrounds and industries to learn more about our Central Florida community, its leaders and how each of us can make a positive difference in our community. We will come together to connect with other Central Florida leaders, meet new friends, and of course, have some fun!

If you have any questions regarding your Leadership Orlando experience, please do not hesitate to contact Anita Grant, Program Director at anita.grant@orlando.org or 407.835.2535.

We look forward to meeting you on March 15!

Sincerely,

A handwritten signature in black ink that reads "Rory C. Ryan". The signature is fluid and cursive, with the first name "Rory" being the most prominent.
